Social Business Design
Lab
14th September 2013

We provide milk and dairy products at affordable prices to malnourished women and children.

LOCATION

Shaghata Upazila,
Gaibandha District

SET UP

1 shed
6 cows
2 employees

PRODUCTION

5 to 6 litres of milk
daily, sold at Tk.
50/- per litre

We want to convert this activity from a charitable project into a Social Business under the companies Act,1994.

WHO ARE WE?

Attha Unnayan Sangstha (AUS)an registered under the Social Welfare and Youth Development Department

We provide education, healthcare and agro-based services to the poor in Gaibandha

SOCIAL IMPACT

Combat malnutrition and health problems by providing women and children with affordable milk and dairy products

Create employment for the local community in current farm and provide training and start-up help to potential future dairy farmers
